Overpayments Can Increase Your Funding Levels

For many clients, the level of funding released by their invoice financing facility may not be adequate during times of high growth or business acquisition. Overpayments, beyond the conventional funding formula can be the answer and many invoice financiers now offer these overpayments on a semi-permanent basis . . .

Demand for Trade Finance to Fund Imports Grows

We have recently seen an increase in the number of businesses seeking Trade Finance facilities to help fund the import of goods into the country from abroad. This trend may be being driven by favorable currency exchange rates and the relatively cheap supply of products from abroad. The number of providers offering Trade Finance has increased and help may be required to find a provider that will meet your needs

Payroll Services Are Being Offered By Invoice Financiers

In line with a general trend towards outsourcing more-and-more businesses are seeking the services of payroll management companies to handle the burden of running their staff payroll.

Invoice Financiers are increasingly offering this service as an added extra. This fits well with the finance that they provide and in some cases the Invoice Financier is now able to provide the funding to pay your staff on time and to undertake the payroll administration process for you . . .
