See below the new service that will help finance your wages bill and PAYE.

Wages & PAYE Finance

One of our finance providers recently launched a new service that will free up cash for your business by paying your employee's wages and your PAYE commitment, on your behalf, and allowing you up to nine weeks rolling credit. There is no requirement for personal guarantees and it does not affect any existing factoring arrangements . . .

Export Factoring - Reducing the Risk of Selling Overseas

Improvements to travel, communication and technology have made the world seem a much smaller place. However, to small and medium sized businesses in the UK, exporting may still be quite a daunting proposition. Currency exchange rate fluctuations, language barriers and local customs all mean that dealing with foreign customers remains tricky and requires great skill to ensure you not only sell the deal at the right margin but most importantly obtain payment for your invoices.

With this in mind using factoring to not only finance you export sales but to also collect payments from overseas debtors has proved to be a great success for many UK businesses . . . [More Details](#)
