Is There A Recession Coming ?

Recent press comments have highlighted rising consumer borrowing levels and rises in the number of bankruptcies. Could this mean that the UK economy is heading towards recession? We have devoted this issue to how you can "recession proof" your business just in case.

As always, if I can help you or anyone you know with a free, independent quotation search I would be pleased to help. You can call me on **01892 784183** or email me at: info@cashflow-acceleration.co.uk
